

Fun, danceable, uniquely different music

## Hello!

We're **Half to the Rafters!** We play a really unique variety of upbeat, danceable songs that are a bit different – it's a mix of jazz, reggae, pop, indie, ska and alternative. No "classic rock". All fun, catchy and very infectious. You may not know that tune by name, but, you've definitely heard it!

We're available in a few configurations:

- 5-pc (sax, vocals, guitar, bass, drums)
- 3-pc (sax, vocals, guitar OR vocals, guitar, percussion)
- duo (vocals, guitar)

On the next page you'll find a partial song list. Check it out!
